CLOTHING THE LITTLE MEN

We want mothers who have boys to clothe to know all about the preparation we have made for the little men for the winter season. We have everything for the boy who wants things like pa's, and for the little fellow who has just stepped out of dresses. Suits, Overcoats, Hats, Caps, Shirts, Waists, Ties, etc. We make a study of clothing boys of all ages and everything the boy wears is here. Very few stores are able to show the variety of handsome wearables that can be seen here. Our prices always please, for they are never extravagant or unreasonable. It's seldom, if ever, that a mother brings her boy here and does not find exactly what she wants, at the price she wishes to pay.
